**Note:** Please be sure ALL information on this order sheet are correct. Sample blending enhancement sales are final. There are no refunds - NO EXCEPTIONS. Your blending enhancement should be treated with care. Do not allow harsh detergents, chemicals, dyes, relaxers, etc., to get on the enhancement base. And like your own hair if you pull on the blending enhancement hair hard enough, it will come out, and even though the base net is made of a sturdy and strong fiber, if you are rough with it, keep pulling on it, or yank on or keep catching the holes with a comb or styling tool, it can break or become damaged. Often times, we can fix it for you depending on the severity of the damage, but you will be charged extra for this service and it will take a few weeks for the work to be done. We will work hard to make you a happy customer, but within reason. By submitting your order you agree that you waive your right to file a a credit card charge back with your bank, or put a stop payment on a check or money order you have issued to us as payment, for any reason. All disputes must be handled via our binding mediation team. Additionally, you affirm that you have thoroughly read and understand and agree to the polices set forth on this order form AND on our website at [www.dreamhairblending.com](http://www.dreamhairblending.com)
